From Inquiry to Academic Writing A Text and Reader

From Inquiry to Academic Writing helps students understand academic culture and its ways of reading, thinking, and writing. With a practical and now widely proven step-by-step approach, the text demystifies cross-curricular thinking and writing. An extensive thematic reader brings students into interdisciplinary debates that not only bear on their college careers but also reflect larger

Academic writing Wikipedia

Academic writing is conducted in several sets of forms and genres, normally in an impersonal and dispassionate tone, targeted for a critical and informed audience, based on closely investigated knowledge, and intended to reinforce or challenge concepts or arguments. It usually circulates within the academic world ('the academy'), but the academic writer may also find an audience outside via

How to Write Guide Sections of the Paper Bates College

Why a Scientific Format? The scientific format may seem confusing for the beginning science writer due to its rigid structure which is so different from writing in the humanities. One reason for using this format is that it is a means of efficiently communicating scientific findings to the broad community of scientists in a uniform manner.
