### **Self publishing Wikipedia**

Self-publishing is the publication of media by its author without the involvement of an established publisher. In common parlance, the term usually refers to physical written media, such as books and magazines, or digital media, such as e-books and websites. It can also apply to albums, pamphlets, brochures, video content, zines, or uploading images to a website.

### **Self Publishing Vanity Publishing Confuse Them and Pay**

Great article, Dave well-written, clear, and to-the-point. After much research, I decided to self-publish instead of traditional because I didn't want a publishing house to own my work and perhaps change my title, create a book cover I was unhappy with, tell me to edit 20 pages out of my manuscript, etc.

### **Non fiction Wikipedia**

Non-fiction or nonfiction is content (sometimes, in the form of a story) whose creator, in good faith, assumes responsibility for the truth or accuracy of the events, people, or information presented. In contrast, a story whose creator explicitly leaves open if and how the work refers to reality is usually classified as fiction. Nonfiction, which may be presented either objectively or
