Here's How To Find Your African American Family History Online

Use these sites to start building your family tree. Ancestry: This is the most popular site and it's the easiest to use and search. A free account will let you start building a tree and searching records. However, you can only see certain U.S. records (just the 1940 and 1880 censuses, for example) with a free account, and it's pretty expensive (\$30/month).
