Amazon com Customer reviews The Cuba Reader History

As the other reviews have already said, The Cuba Reader is a compilation of short stories, poems, newspaper articles etc. interspersed with sections which provide historical background. This is a good book for people who want to see Cuban history through the eyes of Cubans.

The Cuba Reader History Culture Politics Google Books

The Cuba Reader also describes life in the periodo especial following the cutoff of Soviet aid and the tightening of the U.S. embargo. For students, travelers, and all those who want to know more about the island nation just ninety miles south of Florida, The Cuba Reader is an invaluable introduction.

Project MUSE The Cuba Reader History Culture Politics

This is also not a reader which would have been published in Cuba, and I doubt it will be translated for wider circulation among the Cuban public. Clearly the book is designed to be read primarily by a nonacademic audience. It would also be a good text to use in undergraduate courses on Cuba or the Caribbean.
