My Husband's Narcissistic Mother Love Life Learning Center

Hi This is the EXACT scenario that I am dealing with my mother-in-law and husband. We have been married for 2 years and immediately after we got married, she started treating me like an enemy getting upset and bent out of shape over perceived criticisms that she thinks that I made towards her, talking about me behind my back, taking my words or actions and twisting them so that

Narcissistic parent Wikipedia

A narcissistic parent is a parent affected by narcissism or narcissistic personality disorder. Typically narcissistic parents are exclusively and possessively close to their children and may be especially envious of, and threatened by, their child's growing independence. The result may be what has been termed a pattern of narcissistic attachment, with the child considered to exist solely to
