One Second After 1 by William R Forstchen

Some books get a 5***** rating due to their sheer literary greatness, others because they are genre leaders, but the book One Second After gets my 5***** rating due to the sheer realism of the book, and the extremely possible doomsday scenario it sets forth.

Book Review One Second After Survival Cache

This book has some rather graphic detail and some strong language. It is a great book, but I would not recommend it for young readers. Conclusion: One Second After is a well written piece of literature, that we can learn a lot from. After reading this book, you might have a different outlook on how the world works. I would call it a must read for survivalist and preppers.
