Hannibal Rising Hannibal Lecter 4 by Thomas Harris

Hannibal Rising book 4 of the Hannibal Lecter series or the story of Hannibal as a child and what made him the way he is "today". I started off not really invested in this book. The first four chapters are pretty depressing and I hated them. After that the book was pretty good. 4 stars.

Amazon com Hannibal Rising Hannibal Lecter Series

Hannibal Rising has almost none of the procedural elements of the first three books but instead allows a glimpse into how a character like Hannibal Lecter could be molded (based on the atrocities he witnessed and was victimized by during WWII).

Hannibal Rising book by Thomas Harris

Laying the psychological groundwork for the mind of Hannibal Lecter, this book still makes for reading at a sitting. I did. My only regret is that I am of the generation that read "Red Dragon," "Silence of the Lambs," and "Hannibal" before "Hannibal Rising." For future readers, that will truly be an experience in modern literature.

Book vs Film vs TV Series 'Hannibal Rising' Vs 'Hannibal'

Hannibal Definitely read the book, but maybe skim all the stuff with Pazzi; the movie is entertaining too, particularly Gary Oldman's performance as Mason Verger, but the TV show overall adapts the material the best. Hannibal Rising Check out the book if you're curious about the material at all. It's a quick read.
