Probate Wikipedia

Probate is the judicial process whereby a will is "proved" in a court of law and accepted as a valid public document that is the true last testament of the deceased, or whereby the estate is settled according to the laws of intestacy in the state of residence [or real property] of the deceased at time of death in the absence of a legal will.. The granting of probate is the first step in the

Information Terms Minnesota Probate and Estate Planning

Probate and Estate Planning Terms Bond In some instances, the probate court will require that a bond be posted by the personal representative. The idea of the bond is to make sure (through an insurance company in most cases) that any losses caused by the personal representative's breach of their duties will be repaid.
