The Assault on Truth The BLOG of the cosmos

The Assault on Truth. It is not scientific thought that is in a process of continual construction but rather the scientific models that get continually refined, as accretions of data and accumulations of knowledge are acquired. For instance, the Newtonian model was not wrong. It was only not final.

Kavanaugh Hearings and the Assault on Truth Sean McDowell

The nature of truth itself is being undermined. When my father first wrote Evidence that Demands a Verdict in the early 1970s, he didn't include a section on truth. People agreed on both the existence and knowability of

truth. And yet in the recent update of his classic book, we included five chapters clarifying and defending truth. Times have radically changed.
