Summary and reviews of The New Mind of the South by Tracy

"The more that's written about the American South - as a region and as a mindset - the more confused people seem to be. Tracy Thompson helps clear up the myths and the outdated stereotypes. She correctly portrays the South and its people not as stubborn but as always changing.

The Mind of the South by W J Cash Goodreads

"The Mind of the South" is a sociological and economic look at the southern United States, written in 1941 by W. J. Cash (himself a southerner). Cash was a journalist and (later) newspaper editor who was asked to write this book as an expansion of an article of the same name that he wrote for a magazine.
