Innocence Innocence 1 by Dean Koontz

Dean Koontz's latest novel is a little better than most of his recent works, but is still not a good book. I read it because my curiosity got better of me - the book actually got good reviews, and for the first time in years more people on Amazon gave it a positive rating rather than the negative - so I had to see for myself.

Now, I have to admit that Innocence is one the most unusual novels I ve ever read, especially by Dean Koontz.

'Innocence' by Dean Koontz is a good book, but not great. The storyline is of Addison Goodheart, born into the world so hideous that people, when they see him, have the uncontrollable urge to beat him to death.
