The End Times 1d4chan

The End Times was a series of supplements for the 8th edition of Warhammer Fantasy (although in many ways it's like a new edition). It combined a whole bunch of armies together, introduced new characters and units, and added a whole bunch of supplementary rules. Oh, and it destroyed the Warhammer World. Just, like, the whole fucking thing.

Will They or Won't They TV Tropes

Two characters, often combative but with obvious Unresolved Sexual Tension, resist going into a full blown relationship for a rather long time. Usually the two characters will be presented so that "they will" is the conclusion to root for; only rarely is the question of whether the writers think they should in any real doubt.
