Begin With The End In Mind Baggage Reclaim by Natalie Lue

When we begin with the end in mind, while it's no guarantee of things going exactly to plan, we have a far greater chance of getting what we want and enjoying ourselves along the way. We will also know what we need to say no to and how we want to live our lives. Without some definition to our desires, we lose our way.

Grain boundary Wikipedia

A grain boundary is the interface between two grains, or crystallites, in a polycrystalline material. Grain boundaries are 2D defects in the crystal structure, and tend to decrease the electrical and thermal conductivity of the material. Most grain boundaries are preferred sites for the onset of corrosion and for the precipitation of new phases from the solid.
