Romance novel Wikipedia

Although the genre is very old, the romance novel or romantic novel discussed in this article is the mass-market version. Novels of this type of genre fiction place their primary focus on the relationship and romantic love between two people, and must have an "emotionally satisfying and optimistic ending." There are many subgenres of the romance novel, including fantasy, historical romance

Romantic Fiction Genre Definition Find Me An Author

Here we take a brief look at the definition of Romantic Fiction, and as a genre, to say that it is popular is a huge underestimation. Literary snobs may have always been rude about romantic fiction, yet romantic fiction is not only one of the most popular forms of fiction we have, it is one of the oldest and most distinguished.
