

[SPLIT BAMBOO ROD](#)

RELATED BOOK :

Bamboo fly rod Wikipedia

A bamboo fly rod or a split cane rod is a fly fishing rod that is made from bamboo. The British generally use the term "split cane." In the U.S., most use the term "bamboo." The "heyday" of bamboo fly rod production and use was an approximately 75-year period from the 1870-s to the 1950s when fiberglass became the predominant material for fly rods.
