

SUFFER THE CHILDREN BOOK

RELATED BOOK :

Amazon com Suffer the Children A Novel 9780440182931

Suffer the Children is one of the best first books I've ever read. John Saul came out of nowhere to publish a timeless classic in the world of supernatural thrillers. The story is great, the writing is tight, the characters realistic; they even develop over time.

Suffer the Children by Craig DiLouie Goodreads

Suffer the Children by Graig DeLouie is an interesting combination of apocalyptic epidemic tale and a vampire novel. But it made me think more of P. D. James' The Children of Men than any vampire book, especially in the first half. One day all the children in the world who haven't reached puberty falls dead.

Suffer the Children by John Saul Goodreads

Suffer the Children reminds me a bit of the early Stephen King books. It starts with a big mystery and through the story things will get clearer, but also get a lot more disturbing. You get a clear vision of what is happening to the characters. It made me keep reading and reading. Until I got to the end (last 5 or 10 pages).

Suffer the Children book by John Saul Thriftbooks

While John Saul is not held in the highest of regard by many horror fans, he is the man who first introduced me to the genre. Some of his later novels did indeed become pretty repetitive, but his first novel, Suffer the Children, is a dead-on, unflinching classic.
