The Big Thirst The Secret Life and Turbulent Future of

The Big Thirst brilliantly explores our strange and complex relationship to water. We delight in watching waves roll in from the ocean; we take great comfort from sliding into a hot bath; and we will pay a thousand times the price of tap water to drink our preferred brand of the bottled version.

The Big Thirst The Marvels Mysteries Madness Shaping

The first section of The Big Thirst contains more facts per square inch than any book I've read in a long time and they are all about water. How much, how little, where it comes from, what's in it, where it's located, who has it, who doesn't, why it's important, what it does, as well as its physical, and chemical properties and
