Attachment Parenting Instinctive Care for Your Baby and

"Attachment to and dependency on parents is a normal, healthy aspect of childhood and not something that needs to be discouraged." This quote from Attachment Parenting: Instinctive Care for Your Baby and Young Child sums up the attitude behind the growing shift in many Western cultures toward a labor-intensive but arguably more rewarding, effective, and "natural" way to raise children.

Attachment theory Wikipedia

Attachment theory is a psychological model attempting to describe the dynamics of long-term and short-term interpersonal relationships between humans. "Attachment theory is not formulated as a general theory of

relationships; it addresses only a specific facet": how human beings respond within relationships when hurt, separated from loved ones, or perceiving a threat.
