Takedown Twenty Stephanie Plum 20 by Janet Evanovich

I purchased my audio copy of Janet Evanovich's Takedown Twenty the minute I woke up on release day. With a \$28 price tag on audible.com, I really expected more. I hate to admit that Takedown Twenty left me feeling ambivalent. While still funny at times, it didn't coax the usual rip-roaring laughter from me. At most, I let out a couple chuckles.

Takedown Twenty Audiobook by Janet Evanovich Audible com

What would have made Takedown Twenty better? I have read all of the author's other books but was disappointed in this one. The narrator did way too many characters. They needed to pair her up with a man. After reading her other 19 books you picture what the characters would sound like, but having a woman doing a man's voice just didn't cut it for me.
