List of video games notable for negative reception Wikipedia

E.T. the Extra-Terrestrial for the Atari 2600 was based on Steven Spielberg's 1982 film of the same name, reputedly coded in just five weeks to be released in time for the 1982 holiday season. The game sold 1.5 million copies and came nowhere near Atari's expectations of five million units. A large number of the cartridges sold were sent back to the company because many consumers found the
