Best books on the out of body experience 62 books

Best books on the out-of-body experience This list features the best NONFICTION books relating to the Out-of-Body Experience, also known as Astral Projection or Soul Travel. Although books about Near Death Experiences do relate to this topic, as an NDE is nothing but one final OBE, they belong to another list already created in goodreads purely dedicated to the afterlife.

Out of Body Experiences How to Have Them and What to

The book was fantastic and the service was outstanding. Also out-of-body experiences have been something I have been interested in for some time now and I've read all of WILLIAM BUHLHAMS books and can say with out a doubt that his books are very helpful and insightful for anyone interested in out-of -body travel.

Out of body experience Wikipedia

An out-of-body experience (OBE or sometimes OOBE) is an experience in which a person seems to perceive the world from a location outside their physical body. An OBE is a form of autoscopy (literally "seeing self"), although the term autoscopy more commonly refers to the pathological condition of seeing a second self, or doppelgänger.
