The Book on Public Speaking Topher Morrison

But in the speaking industry, most people get up and still walk, talk, and sound like the 1980 s motivational speakers of yesteryear. The Book on Public Speaking takes a head-on approach and challenges the status quo for business leaders that speak in front of their staff, board of directors, and the public. After reading this book you will be privy to the most current methods for speaking to an audience for maximum impact in today s more sophisticated and skeptical culture.
