### **Book summary Great By Choice by Jim Collins ashishb net**

The book compares a set of 10 pairs of companies over a timeframe of over 20 years to demonstrate what choices do the some companies make to become great. The great ones (10Xers) were not lead by visionaries, they were not more innovative , they did not try to move too fast, and they were not luckier ones either.

### **Jim Collins Books**

good to great This book addresses a single question: can a good company become a great company, and if so, how? Based on a five-year research project comparing companies that made the leap to those that did not, Good to Great shows that greatness is not primarily a function of circumstance but largely a matter of conscious choice, and discipline.
