Wolf Girl and Black Prince AsianWiki

ayeyeye Dec 03 2016 3:07 am it was okay i read and watched the anime, and as always, it's diff the acting is what you'd expect from a japanese teenage romance movie. Kento's acting hasn't really changed, imo lol. I didn't find it special, but what made this movie really unenjoyable was the cinematography.. a lot of long, faraway stationary shots, and barely any close ups.
