### **The Plague Dogs by Richard Adams Goodreads**

The Plague Dogs I honestly do not know if I should recommend this book or warn people off of it. It is a good book but any violence towards dogs, pets in general rubs me the wrong way and this degree of neglect, torture in the name of science etc is extreme. Note, the true message is awesome.

I read "The Plague Dogs" after I'd read "Watership Down," which is also written by Richard Adams. And while perhaps "The Plague Dogs" is a bit more difficult of a read than "Watership Down," and may lack the narrative flow of his first book, it is a tremendous novel, nonetheless.
