How to Replace Garage Door Torsion Springs

NOTE: Due to a competitor's malicious assault on our How to Replace Garage Door Torsion Springs YouTube video, we have re-posted this quality work here on our own servers. More information is available on our Click Farms blog.. If replacing garage door springs seems too risky for you, take a look at our ATL S-3 Winders. Now you can wind your springs with a drill instead of winding bars.

4 Tips for Buying a New Garage Door Angie's List

If you live in a high wind or hurricane-prone area, make sure your garage door can withstand the elements. Because of their size, garage doors are more susceptible to wind damage than other exterior openings, says Mark Westerfield, director of product development for residential garage door manufacturer Clopay.. Garage doors must have additional bracing, heavier gauge tracking and other
