China's Pop Culture Censorship Continues With Hip Hop

China's pop-culture censorship has long served as a vehicle for promoting their government's socialist ideology. According to Reuters, China's culture ministry banned 120 songs they deemed violent or immoral in 2015. Last July, Justin Bieber joined the list of artists blacklisted from China when Beijing's Municipal Bureau of Culture banned him from touring China last July because of the "public

Third wave feminism Wikipedia

Third-wave feminism is an iteration of the feminist movement that began in the early 1990s United States and continued until the fourth wave began around 2012. Born in the 1960s and 1970s as members of Generation X, and grounded in the civil-rights advances of the second wave, third-wave feminists embraced individualism and diversity and sought to redefine what it meant to be a feminist.
