

BOOK ABOUT HISTORY OF CANCER

RELATED BOOK :

The Emperor of All Maladies A Biography of Cancer

Across the book, there is only one common character, cancer. Although cancer is not a single disease but a collection of several diseases characterized by uncontrolled growth and spread of cells in the body, the book portrays cancer as a great villain, lurking in the shadows, ready to strike at any time.

The Emperor of All Maladies A Biography of Cancer Kindle

I read this book after being treated with chemo, radiation and surgery for stage II breast cancer. The author's writing is luminous, passionate and powerful. What could have been a dry textbook of voluminous facts becomes an awe-inspiring journey through the history and future of cancer.
