The Rules Revisited Posture And Attractiveness

Doing weights is key. I'm male and always had bad posture even though I constantly rode bikes, ran, swam and every other aerobic activity. The last 3 months I've been hitting the gym and with massive improvements. no amount of pulling your shoulders back will correct structural/muscular imbalances.

Physical attractiveness Wikipedia

Physical attractiveness is the degree to which a person's physical features are considered aesthetically pleasing or beautiful. The term often implies sexual attractiveness or desirability, but can also be distinct from either. There are many factors which influence one person's attraction to another, with physical aspects being one of them.

Asana Wikipedia

An asana is a body posture, originally sitting for meditation, and later in hatha yoga and modern yoga, including reclining, standing, inverted, twisting, or balancing as well as seated poses. The 5th century BC Yoga Sutras of Patanjali define "asana" as "to be seated in a position that is steady but relaxed". Patanjali mentions the ability to sit for extended periods as one of the eight limbs

Choosing the Best Cases Five Reminders for New Lawyers

To persuade judges, each legal rule in your motions and briefs must be supported with the best authority.

Without citations, judges might think that the stated rules and arguments are merely your opinions which are irrelevant. (It was a hard lesson for me to learn.) As a new lawyer, your primary job is to find the []
