### **How To Astral Project Beginner's Guide To Astral Travel**

In plain terms, astral projection is an out of body experience. It is one of the most powerful forms of these experiences. During astral projection, the soul is separated from the physical body. The astral is the subtle body that hovers over and observes the environment. It can even cross time and space barriers to wherever intuition lies.

### **Psychic protection techniques to help protect yourself**

Psychic protection is as natural as putting on work clothes in the morning, checking your mobile phone is charged and that you have your ticket and money for the day. If you prepare in advance you arrive unhurried and do not leave yourself vulnerable, accident-prone and panicking if there are delays or problems on your journey. It is the same with routine psychic self-defence.
