

ORYX AND CRAKE BOOK

RELATED BOOK :

Oryx and Crake Wikipedia

Oryx and Crake is a novel by Canadian author Margaret Atwood. She has described the novel as speculative fiction and adventure romance rather than science fiction because it does not deal with things "we can't yet do or begin to do", and goes beyond the amount of realism she associates with the novel form. The book was first published by McClelland and Stewart in 2003.
