

IMMORTAL RIDER

RELATED BOOK :**Blade of the Immortal Vol 1 Blood of a Thousand**

Blade of the Immortal is a pure, unadulterated samurai epic told in a very moody black-and-white comic book. Artist Hiroaki Samura uses pencil drawings combined with pen-and-ink work to create this punk samurai feast. We don't know much about Manji except that he has been given the gift of immortality by an old witch in the form of the "blood worms."
