RELATED BOOK :

The Detox Book How to Detoxify Your Body to Improve Your

Great book about how to detox, not only short term, but long term. If you can get past the author's obvious disdain for people who eat meat, as well as the fact that you're not supposed to drink or eat anything out of plastic or a can - which would be ideal, but next to impossible in the day and age - then it's a great book for learning how to become healthier.
