The Thief Book Review Common Sense Media

Author Megan Whalen Turner has created a highly detailed setting and peopled it with realistic and complicated characters. Eugenides the Thief is a delight from the beginning, and many readers will want to follow his continuing adventures in this book's sequels.

The Book Thief Book Reviews LitLovers

Book Reviews Some will argue that a book so difficult and sad may not be appropriate for teenage readers. The Book Thief was published for adults in Zusak's native Australia, and I strongly suspect it was written for adults. Adults will probably like it (this one did), but it's a great young-adult novel.

Thief by Malorie Blackman Share book recommendations

Thief! is a very readable, pacy book, which I thoroughly enjoyed. It tells the story of Lydia Henson, who has moved with her family from London to a town in Yorkshire. She is keen to make friends and fit in, but after a stolen school trophy is found in her locker, she becomes a pariah within the school.
