Head First Design Patterns by Eric Freeman Goodreads

Head First Design Patterns is a great way to get a good overview (and some meat) about design patterns. This will interest programmers and computer scientists the most, but as you learn near the end of the book, design pattern were first created by an architect!

GitHub bethrobson Head First Design Patterns Code for

Head First Design Patterns (2014 update) I have recently updated all the code for Head First Design Patterns to be compatible with Java 8. This new code accompanies an update for the book, released in July, 2014. Download the code and compile and run from the command line, or load the code into project in Eclipse (Kepler, with the Java 8 beta patch).
