Virtual Jamestown

October 1629-ACT IX. [Although this law did not rule out the possibility that English women would work in the tobacco fields, it did begin the process of creating a distinction between the work that English and African women performed in the colony. It is thought fit that all those that worke in the ground of what qualitie or condition soever, shall pay tithes to the ministers.

Siding Wikipedia

Siding or wall cladding is the protective material attached to the exterior side of a wall of a house or other building. Along with the roof, it forms the first line of defense against the elements, most importantly sun, rain/snow, heat and cold, thus creating a stable, more comfortable environment on the interior side.
