

## **THE SECRET KEEPER REVIEW**

## RELATED BOOK :

### **The Secret Keeper by Kate Morton**

The Secret Keeper is a story of love; of family and friendships and human nature and perseverance. Set during the Blitz of WWII and present day, the alternating timelines told from different characters are woven so beautifully and intricately to create the perfect story and mystery.

### **The Secret Keeper by Kate Morton Review BookPage**

The Secret Keeper alternates between the present day, where Laurel, now an Academy Award-winning actress, is trying to beat the clock, and the time of the London Blitz, those days in 1940 and 1941 when London and other British cities were under continuous nighttime bombing by Hitler's Luftwaffe. In the midst of this horror we're introduced to two young women Dorothy and Vivien and their men.

### **THE SECRET KEEPER by Kate Morton Kirkus Reviews**

A daughter refuses to let her mother take a grim secret to the grave. In 1961, Laurel, a teenager sulking in a treehouse, sees her mother kill a man with a knife intended for her infant brother's birthday cake. During the ensuing investigation, the police question Laurel, who leaves out a crucial detail.

### **Detailed Review Summary of The Secret Keeper by Kate Morton**

The Secret Keeper is a very well written mystery novel and I loved it. Best scene in story: My favorite scene is the one in which young Jimmy follows an even younger Dorothy to the beach. They are in love and Jimmy has a rudimentary camera. He takes a very beautiful picture of Dorothy in a field near the beach and they kiss for the first time.

### **Secret Keeper Book Review Common Sense Media**

SECRET KEEPER's power comes from the strong bond between Asha and her sister Reet, who brave a stinky toilet to find private time to talk. The dialogue is often clunky, however, and the adult characters are universally unappealing.

### **The Secret Keeper Summary LitLovers**

The Secret Keeper explores longings and dreams and the unexpected consequences they sometimes bring. It is an unforgettable story of lovers and friends, deception and passion that is told in Morton's signature style against a backdrop of events that changed the world..

<http://ebookslibrary.club/download/The-Secret-Keeper-Summary-LitLovers.pdf>

### **The Secret Keepers Book Review Common Sense Media**

Like that series, The Secret Keepers is a great fit for bright wannabe spies. With a watch that can render its keeper invisible, there's much opportunity for mischief, but the violence stays very light.

### **The Secret Keeper 2012 IMDb**

A secret is a precious commodity. If a person can seal their secrets away, and live guilt free, they can truly be anyone, do anything. Somewhere, sometime in an alternate future or past that vaguely resembles the styles and prejudices of our late 1940's, The Secret Keeper provides clients with that very opportunity.
