Understanding and Working with Students and Adults from

To understand and work with students and adults from generational poverty, a framework is needed. This analytical framework is shaped around these basic ideas: Each individual has eight resources which greatly influence achievement; money is only one. Poverty is the extent to which an individual is without these eight resources.

Understanding and Working with Students and Adults from

Economic class is a continuous line, not a clear-cut distinction. In 1994, the poverty line was considered \$14,340 for a family of four. In 1994, seven percent of the population made more than \$100,000 per year as indicated on U.S. tax returns. Individuals move and are stationed all along the continuum of income.
