Line poetry Wikipedia

A line is a unit of language into which a poem or play is divided, which operates on principles which are distinct from and not necessarily coincident with grammatical structures, such as the sentence or single clauses in sentences. Although the word for a single poetic line is verse, that term now tends to be used to signify poetic form more generally.. A distinct numbered group of lines in

Poetry Wikipedia

Poetry (the term derives from a variant of the Greek term, poesis, "making") is a form of literature that uses aesthetic and rhythmic qualities of language such as phonaesthetics, sound symbolism, and metre to evoke meanings in addition to, or in place of, the prosaic ostensible meaning.. Poetry has a very long history, dating back to prehistorical times with the creation of hunting
