12 Tilt Out Trash Cabinets To Stash Unsightly Garbage Can

A tilt out trash cabinet is almost as needful in the kitchen as stainless steel appliances. No matter how much you spend on kitchen cabinets and appliances, just one visible trash can will ruin the entire look. And in a household that recycles, it s also needful to create a hidden spot to stash all the items being saved for recycle day.

DIY Kitchen Island with Trash Storage Shades of Blue

One of the mandatory design features I created was the pull-out trash storage. I chose a trash can size that would make the back lip of the trash can hit the top of the opening so I don t actually need a chain (to keep it from opening too far). Because of the large space inside, the bag is still
