Social media marketing Wikipedia

Social media marketing is the use of social media platforms and websites to promote a product or service.

Although the terms e-marketing and digital marketing are still dominant in academia, social media marketing is becoming more popular for both practitioners and researchers. Most social media platforms have built-in data analytics tools, which enable companies to track the progress, success

Social marketing Wikipedia

Social marketing is the use of marketing theory, skills and practices to achieve social change. It has the primary goal of achieving "social good". Traditional commercial marketing aims are primarily financial, though they can

have positive social affects as well. In the context of public health, social marketing would promote general health, raise awareness and induce changes in behaviour.
