The Inheritance by Tamera Alexander Goodreads

Community Reviews. THE INHERITANCE is classic Tamera Alexander. Though some feel this is a weak representation of her work, I would have to disagree. I was completely swept up by the struggle that met McKenna at every turn and fell in love with the sometimes heavy-handed ministrations of Wyatt Caradon.

The Inheritance by Louisa May Alcott Paperback Barnes

Most Helpful Customer Reviews. The Novel 'The Inheritance' was written to intrigue the persons who read and understood the words on the pages. The characters were mysterious and the betrayal was real. I would describe a tale such as this a total world of irony and passion.
