### **List of people with bipolar disorder Wikipedia**

Numerous notable people have had some form of mood disorder. This is a list of people accompanied by verifiable sources associating them with bipolar disorder (formerly known as "manic depression") based on their own public statements; this discussion is sometimes tied to the larger topic of creativity and mental illness. In the case of dead people only, individuals with a speculative or

### **50 Great Books That Will Change Your Life Real Simple**

I once confessed to a girlfriend (who is a designer) that I was inept at drawing, and she told me about this book. It breaks drawing down into five basic perceptual skills of edges, spaces, relationships, lights and shadows, and the whole and provides instruction on dipping into our right brain, which helps develop overall creativity.
