Turtles All the Way Down Book Review Common Sense Media

Parents need to know that Turtles All the Way Down is best-selling author John Green's first novel since 2012's runaway success, *The Fault in Our Stars*. While that book tackled the issue of teens with cancer, this book centers on a protagonist suffering from anxiety and obsessive-compulsive thoughts and behavior.

Comic book collecting Wikipedia

Comic book collecting is a hobby that treats comic books and related items as collectibles or artwork to be sought after and preserved. Though considerably more recent than the collecting of postage stamps or books (bibliophilia), it has a major following around the world today and is partially responsible for the increased interest in comics after the temporary slump experienced during the 1980s.

The Complete History of Teenage Mutant Ninja Turtles

As Eastman and Laird began fleshing out the Turtles to create a comic book, they had to give the Turtles names. At first they tried Japanese names, but it just wasn't working.
