RELATED BOOK :

The Squared Circle Life Death and Professional

Starting in the early 1900s and exploring the path of pro wrestling in America through the present day, The Squared Circle is the first book to acknowledge both the sport's broader significance and wrestling fans' keen intellect and sense of irony. Divided into eras, each section offers a snapshot of the wrestling world, profiles some of the period's preeminent wrestlers, and the sport's influence on our broader culture.

The Squared Circle Life Death and Professional Wrestling

The Squared Circle is the emotional and physiological history of professional wrestling from David Shoemaker. The book is an examination of the wrestlers, fans, and cultural impact of the sport. I've been a big fan of Shoemaker since his writing back at Grantland, and wanted to finally read his book.
