Deep Change Discovering the Leader Within Robert Quinn

Robert Quinn Deep change differs from incremental change in that it requires new ways of thinking and behaving. It is change that is major in scope, discontinuous with the past and generally irreversible. The deep change effort distorts existing patterns of action and involves taking risks. Deep change means surrendering control.

Deep Change Summary Robert E Quinn PDF Audiobook

When deep change is happening in the context of an organization, be prepared for it to be extremely uncomfortable. People love stability, but this world and today's markets offer anything except it. If you want to be successful, you need to evolve. You either change and survive or you die in your comfort zone.
