### **PDF Waking Up Alive 1996 Book Review by Richard A**

For many readers the information contained in Waking Up, Alive will be extremely useful. Without falling into clinical terminology, the author describes very well what is happening from the suicidal "trance" to the point of recovery and beyond.

### **Waking Up Alive by Emma Shortt Paperback Barnes Noble**

What pleased me most about WAKING UP ALIVE is that it is a very intelligent book which gives a lot to think about. There are epic plot twists, which are settled very cleverly. All in all, I believe readers who like zombies will love it, but most of all, this is a book for readers who never read about zombies or don't fancy them!
