Whatever I'm on a zombie binge reading streak (Enclave, Dead City, Dead Tossed Waves). Dead City was a fast and fun action packed read that was refreshing to read after reading way too many dystopias. Dead City was truly an interesting and original page turner unlike anything I've read before.

Dead City has all the action you could want out of a zombie book and the main character is pretty well fleshed out. If Dead City has any true weakness, it's the lack of depth in the setting and the story may be a little bit too straight forward.

Dead City Dead World 1 by Joe McKinney Goodreads

"Dead City", the debut horror novel by Joe McKinney, is a worthy read, equally impressive as a first novel as it is an intense zombie book. The first few chapters have a nice buildup as the reader experiences the outbreak through the eyes of a San Antonio police officer.
