### **Prayer Wikipedia**

Prayer is an invocation or act that seeks to activate a rapport with an object of worship, typically a deity, through deliberate communication. In the narrow sense, the term refers to an act of supplication or intercession directed towards a deity, or a deified ancestor. More generally, prayer can also have the purpose of thanksgiving or praise, and in comparative religion is closely associated

### **Prayer for the dead Wikipedia**

Wherever there is a belief in the continued existence of human personality through and after death, religion naturally concerns itself with the relations between the living and the dead. And where the idea of a future judgment or a resurrection of the dead or of purgatory exists, prayers are often offered on behalf of the dead to God.
