Web Information Architecture Deliverables and Diagrams

Originally published December 2002. Examples of Wireframes, Site Maps, Story boards, Use Cases, Paper Prototypes. In my work as a web designer and IA I have come across many inconsistencies in the way Information Architects and other Web professionals refer to Web information architecture deliverables and diagrams.

Architecture Wikipedia

Architecture is both the process and the product of planning, designing, and constructing buildings or any other structures. Architectural works, in the material form of buildings, are often perceived as cultural symbols and as works of art. Historical civilizations are often identified with their surviving architectural achievements.
